

4/20 - 4/24 Digital Learning Plans

What are we learning this week?

Math

We are working to add and subtract three-digit numbers. (ex: $234 + 327 = 561$). Students can use base ten blocks, number-lines, or expanded form to solve the problems.

Reading

We are **comparing** and **contrasting** nonfiction topics. For example, comparing dolphins and whales.

Phonics

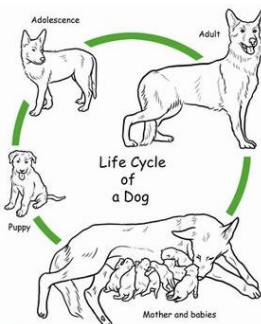

We are learning about words that end in -y.

Language Arts

We are learning capitalization rules. These rules tell us when we should use a capital letter in words.

Science

We are learning about plant life cycles. We are learning about the mammal life cycle. Mammals are animals that give **live birth** instead of laying eggs.

Monday

4/20

Math

Lesson- <https://youtu.be/xm1YODVzm8s>

Paper and pencil needed. Send picture to your teacher of problem #2.

Extention- to Dreambox when you finish

Reading

Lesson : <https://www.youtube.com/watch?v=OKsXhOtXnuU&feature=youtu.be>

Paper and pencil needed. Finish the venn diagram on Penguins and Geese. Send a picture to your teacher.
